Greek and Roman Oratory (Paperback)

By Bob Blaisdell

Dover Publications Inc., United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. The citizens of ancient Greece and Roman raised public speaking to an art form, and their addresses continue to rank among the world s most illustrious examples of oratory. From Demosthenes First Philippic, a rousing call to Athenians to resist foreign invaders, to Cicero s Catiline Orations, which exposed an internal plot to overthrow the Roman government, this compilation comprises 22 of antiquity s most eloquent speeches. Featured orations include Pericles Funeral Speech, as preserved in Thucydides History of the Peloponnesian War ; Socrates The Apology, in which the philosopher defended himself against charges of corrupting Athenian youth; Julius Caesar s speech to the Roman senate, On the Punishment of the Catiline Conspirators ; and Publius Cornelius Scipio s To His Soldiers, delivered before a decisive battle against Hannibal and the Carthaginians. Additional orations by other generals and statesmen examine the concepts of justice, political rectitude, and social order.
