Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My excuse for writing this book is money-and lots of it. I suppose the above would suffice, but as time is not very precious I will continue and tell how the idea of writing a book first got into my head: While ranching on the Indian Territory line, close to Caldwell, Kansas, in the winter of 82 and 83, we boys-there being nine of us-made an iron-clad rule that whoever was heard swearing or caught picking grey backs off and throwing them on the floor without first killing them, should pay a fine of ten cents for each and every offense. The proceeds to be used for buying choice literature-something that would have a tendency to raise us above the average cow-puncher. Just twenty-four hours after making this rule we had three dollars in the pot-or at least in my pocket, I having been appointed treasurer.
