D, Including Extracts and Selections From His Writings John Henry Hopkins needs no introduction to the American Church. For the last forty years he has been one of the weightiest of the influences which have moulded and directed her thought. Nevertheless, my connection with him is not so clear as to give authenticity to what I have written concerning him. When Dr. Hopkins died two years ago his brother undertook the work of writing the biography. It is to him that a very large degree of credit is due for the material which he afterward handed over to me. I had been one of Dr. Hopkins s students, and to me he had left the task of completing his work on the history and true meaning of the Seventh General Council. Accordingly, when the brother found that he could not complete the biography, it was in a certain sense natural that the materials should be given to me; which was done,...
