## Developing a Lean Workforce: A Guide for Human Resources, Plant Managers, and Lean Coordinators (Paperback)

By Chris Harris, Rick Harris

Taylor Francis Inc, United States, 2007. Paperback. Book Condition: New. 272 x 212 mm. Language: English . Brand New Book. Changing an organization from a mass manufacturing environment to a lean environment is significant and affects all levels of the company if the implementation is done correctly. Many times, however, lean implementers become so involved with the nuts and bolts of lean implementation that the people side of the business is neglected. Transform your HR Department into an Agent of Change during Lean Implementation. With an HR perspective, veteran consultants Chris Harris and Rick Harris walk readers through a simple, step-by-step proven method for transforming a mass production workforce into a lean thinking one that possesses the necessary skills, training, and attitude to march in a new direction. They explain the role of human resources in a lean-oriented facility, emphasizing systematic training that continues for all employees. They also discuss the value of promoting employees from within a facility to team leader and group leader positions, and the importance of flexibility. This critically acclaimed book includes sample training sessions with explanations. Most of us are now far enough down the path in lean production to realize that the results lie...
