Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

NORTHERN CALIFORNIA TRAVEL: THE BEST OPTIONS

Foster Travel Publishing. Paperback. Book Condition: New. Paperback. 284 pages. Dimensions: 8.3in. x 5.4in. x 0.9in. Lee Foster writes about and recommends the best nature/outdoors attractions and the best cultural travel experiences in Northern California. He helps a local or a visitor make informed travel decisions for visiting places as diverse as Yosemite National Park, the intriguing Russian fort at Fort Ross along the Sonoma coast, or the wondrous Big Sur Coast. What are the best travel options to explore when contemplating Northern California? Lee Foster has spent 40 years refining the answers. Lee's 30 chapters in this book guide consumers to use wisely their most precious commodity: their time. Lee presents his vision of Northern California travel in the various modes that a consumer might find useful: as a 284-page printed book, as an ebook with color photos, and on his website as write-up/slideshow elements at <http://fostertravel.com>. (Search Norcal to see all the book chapters). Eventually the content will also be organized as an app. The goal is to provide an enjoyable and insightful read for the armchair traveler and an actionable plan ready to go for an actual trip. Lee's strategy is to divide Northern California into a finite number of major subjects, such as Lake Tahoe, and offer a write-up, plus If You Go suggestions. This basic write-up may be supplemented with a more specialized Further Options set of tips. This approach allows an elasticity for incremental and timely additions to the subjects. A consumer has many sources of information about Northern California travel, but Lee Foster's content is superior for several reasons: Lee makes insightful judgments that help a traveler use precious travel time wisely. His only responsibility is to the consumer. He doesn't write about everything, only the best things. He has no need to promote...
