## EIRES CAPTIVE MOON

Writer's Coffee Shop. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Eires Captive Moon, the first book of Sandi Laynes Eires Viking Trilogy, brings you to the unsettled era of the early Viking raids along the coast of Ireland - today's Ireland. Red-striped sails make their first appearance on the shores near the village of Ragor and the peaceful life of the villagers is obliterated in one deadly raid. Agnarr Halvardson and his overlord, Tuirgeis, have come to Ireland for treasure, honor, and slaves. After slaying her husband, Agnarr claims Charis, the healer of the village, as his personal medicine woman - and sex slave. Cowan, a local prince, is captured by Tuirgeis to serve as translator for trading journeys. Leaving the smoking ruins of Ragor and Bangor Monastery behind them - as well as the children Charis had carefully hidden from the Northmen - the invaders sail away. Cowan, a Christian, is captivated by the pale, widowed herbalist, and finds himself in love with her by the time they reach Nordweg, where they will spend the winter. He is compelled to leave her, however, to serve his master. The winter brings many trials. An invasion from another village's warriors throws Cowan and Charis together more intimately than she is prepared to handle equitably. Her own feelings are growing uncertain, though she reminds herself that she has to return to Ireland and the children she left there. As winter passes in Nordweg, Charis plans vengeance upon Agnarr even as she learns to see him differently. Beset by accusations of witchcraft, hounded by Agnarr's betrothed and her slave - a refugee Charis herself healed more than a year before - and having to adapt to the strange language and customs among the people around her, Charis still...
