Now it's time to do it again. Kate has a secret, something tucked away in her past. And she's getting on with her life. Her business is thriving. She has a strong relationship with her family, and a devoted boyfriend whom she wants to love with all her heart. If Kate had ever made a list, Rowan would fill the imagined boxes of a perfect mate. But she wants more than the perfect-on-paper relationship; she wants a real and imperfect love. That's why, when Kate discovers the small velvet box hidden in Rowan's drawer, she panics. It's time to act. Can she do it? Can she travel to the place where it all began, to the one who shares her secret? Can the lost ever become found? And Then I Found You gives new life to the phrase inspired by a true story. By traveling back to a painful time in her own family's history, the author explores the limits of courage, and the price...
