PAVILION BOOKS, United Kingdom, 2008. Paperback. Book Condition: New. 174 x 130 mm. Language: English . Brand New Book. Sophie is a 25-year-old lawyer, living in London with her boyfriend of 10 years. Everything looks set for her - working for a large corporation, she works hard, earns good money and enjoys cosy nights in with her man, looking forward to the day when they might marry and have children. But all is not as it seems. Returning home from work early to find her boyfriend in bed with another woman, Sophie s life is suddenly turned upside down. Perhaps a spell away from the city where she can reassess her values, expectations and her sexuality would be a good move? She accepts an offer to stay with an old schoolfriend, Genevieve, and soon discovers that her old friend has been making a living as a sex therapist. Genevieve offers her services to Sophie and soon sets her on a rural sexual adventure beyond Sophie s wildest dreams. One of a trio of new erotic titles aimed at a young, sassy and confident readership, The Confessional Diaries of a Girl in the Country brings into play excellent writing and stimulating erotica. Showcasing new talent and embracing firmly every girls right to fantasise and experiment with their sexuality, these books are written by women who know what turns women on (and for that reason alone, men will love them too!).
