The Commissioner wants every retailer handling cereal goods to understand that the retail stocks in every part of the State are to be thoroughly sampled and sent to State College for a scientific examination and that whenever contamination by bugs, slugs and the like is detected prosecutions will be instituted in every case and vigorously pressed. This frank note of warning is given so that the retailer may have a fair opportunity to clean up his stock and consign to the dump every package of cereal that is in condition to bring him into trouble because of its lack of freshness or its location near weevilly goods, since even fresh goods may quickly become weevilly if stored in the neighborhood of old packages containing these insects. Despite the difficulties of these conditions the retailers have a remedy in their own hands, and that is to buy in small quantities, turn the stock often and so have little left long enough upon their shelves to be in serious danger of insect attack. If the retailers, aided by judicious co-operation of manufacturers and jobbers to remedy existing conditions, do not get rid of this evil it is possible that the people may feel it necessary to adopt a remedy proposed in other states against the sale of stale stocks of perishable goods such as these cereal preparations, namely, that of requiring that...
