

Garden Rescue (Paperback)

Filesize: 1.48 MB

Reviews

An extremely wonderful publication with lucid and perfect reasons. It typically will not expense too much. You are going to like the way the blogger compose this publication.

Frances Lincoln Publishers Ltd, United Kingdom, 2007. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Every garden presents problems of one kind or another. It is inevitably windy, lacking in privacy too shady, badly drained, too large, too small or hopelessly overgrown. Garden Rescue is written to help gardeners to develop, reclaim or maintain their gardens more successfully, not only by surmounting problems, but often by turning them to advantage. Originally published as Your Problem Garden and revised and updated, this classic book seeks to explain not just the how of the gardening, but the why as well. Rather than trotting out cliched solutions, Richard Bisgrove helps the reader to understand the unique challenges posed by their gardens in order to come up with a tailor-made rescue package. Climate, soil character, planning and maintenance are all discussed, and there is a useful chapter devoted to recovering a garden that is in a poor state of repair.
