Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Osprey Publishing. Paperback. Book Condition: new. BRAND NEW, Napoleon's Overseas Army, Rene Chartrand, When the French Revolution broke out in 1789, France possessed numerous colonies spread over three continents. To defend and keep the peace in these territories, a small army of colonial troops, distinct from the metropolitan line regiments or marines, had existed since the days of Louis XIV. This book examines the history and uniforms of the often-overlooked French armies in Saint-Domingue, Guadeloupe, Martinique, St Lucia, Tobago, Ile-de-France, La Reunion, Pondichery, Guiana, Senegal and Saint-Pierre-et-Miquelon. The text is backed by numerous illustrations offering a rare glimpse into dress and equipment of Napoleon's overseas army.".
