Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

THE BAHAMAS: HUMAN RIGHTS (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Commonwealth of The Bahamas is a constitutional, parliamentary democracy. Prime Minister Perry Christie s Progressive Liberal Party (PLP) won control of the government in May 2012 elections that international observers found to be generally free and fair. Authorities maintained effective control over the security forces. Security forces occasionally committed human rights abuses. The most serious human rights problems were police abuse, detainee abuse (compounded by problems in processing them), a poorly functioning judicial system leading to delays in trial, and witness intimidation. Other human rights problems included poor detention conditions; corruption; violence and discrimination against women; sexual abuse of children; and discrimination based on ethnic descent, sexual orientation, or HIV status.
