After seeing the beach for the first time at the age of twenty-one Steve Anderson went on to become one of the most successful Olympic Beach Volleyball Coaches of all time. He is the first coach to win an Olympic Medal in beach volleyball and the first African American to coach a team to an Olympic Gold Medal in either discipline of volleyball (indoors and beach). The Challenge Makes the Champion is an insight into the Success with Fulfillment mind-set and methods that Steve uses to build Gold Medal champions in sport, business and life. Awaken your inner champion as Steve takes you on a journey of self-discovery and transformation. Harness your internal dragon power and conquer the zombies that lurk in the darkness of your fear, doubt and imagination. Use the Gold Medal Challenge exercises in this book to consciously and deliberately build yourself into the champion that you were born to be.
