This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2005 in the subject English Language and Literature Studies - Culture and Applied Geography, grade: 1,7, University of Potsdam, 16 entries in the bibliography, language: English, abstract: Introduction This essay mainly refers to the society in which photography arose. We shall look at the economic and social situation when photography appeared and how photography was perceived by the Victorians. Also some aspects of the problematic discussion if photography can become an art are considered in this essay. These aspects are concerning only the nineteenth century and what people thought in that time about this topic. The first chapter tells the history of photography. It covers an overview how photography developed and what advantages each development involved. The second chapter deals with the initial situation when photography was first publicly announced in 1839. We will come across cultural and scientific institutions and the infrastructure of the means of communication in that time. This is important for an understanding of the context in which the invention of photography took place. And therefore to see...

Reviews

Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.
