Thomas Nelson on Brilliance Audio, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. New York Times bestselling author Fawn Weaver challenges listeners to declare peace in their marriages and shows how it really can happen. Is an argument-free marriage possible? Fawn Weaver s answer is yes, absolutely, even when one or both partners are strong willed, independent, and opinionated. (She admits to being all three.) In this groundbreaking audiobook, the bestselling author and award-winning marriage blogger asks listeners to invest twenty-eight days in learning how to live together without bickering, blame, angry outbursts, or silent treatments. Fawn begins with the startling premise that, contrary to popular opinion, conflict in marriage is not necessary or inevitable. Then she leads listeners on a day-by-day journey toward a more peaceful and supportive relationship. Chapter by brief chapter, she offers fresh perspectives and practical strategies for communicating effectively, building understanding, and defusing anger while at the same time nurturing honesty, vulnerability, and mutual support.
