

Theatre and Empire (Paperback)

By Benjamin Poore

Palgrave MacMillan, United Kingdom, 2016. Paperback. Book Condition: New. 178 x 111 mm. Language: English . Brand New Book. The historical age of empires may be over, but empire, as an idea, continues to exercise a hold over our imaginations. This compelling examination of the relationship between theatre and empire begins with potential definitions and theories of empire, suggesting how we might think of these two notions together and how we might see empire itself as theatre. A variety of case studies are then used to explore theatre in light of both cultural and economic imperialism.
