Dover Publications Inc., United States, 2016. Paperback. Book Condition: New. 202 x 126 mm. Language: English . Brand New Book. Among the most talented siblings in English literary history, the Bronte sisters are best remembered for their novels: Emily s Wuthering Heights, Charlotte s Jane Eyre, and Anne s Tenant of Wildfell Hall, among other works. It is less well known that the sisters also composed a considerable amount of fine poetry. This volume contains forty-seven poems by all three sisters. Selections include Charlotte s Presentiment, Passion, two poems on the deaths of her sisters, and six more. There are twenty-three poems by Emily (considered the best poet of the three), including Faith and Despondency and No Coward Soul Is Mine. The worksof all three sisters share the qualities of intelligence, awareness, and heartfelt emotion, expressed in simple, highly readable verse. Gathered in this handy, inexpensive collection, the poems represent a superb introduction to a lesser-known aspect of the Brontes literary art.
