Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Read this J.R. Lira book on your PC, Mac, smart phone, tablet or digital device or in paperback. If you re brand new to investing and trading you can learn to go from financial mediocrity to financial prosperity in the time it takes you to read this entire book. This book details what it will take to become a consistently profitable investor and swing trader in today s financial markets working against the best investors and traders in the world. The probability that you will ever beat Wall Street is low. You can however learn to see what the smart money is doing and profit with them if you know what to look for and where to look for it on a price chart. This book can help you to understand what you need to see in order to consistently make money with the smart money. This book has some powerful information in it to guide the beginner investor and swing trader to the easiest way to reduce the long learning curve there can be in the business of making money with money. I wrote this book for all the new and upcoming aspiring day traders, swing traders and investors who are coming into the business and have zero or very limited knowledge so they won t have to waste valuable learning time and money to figure out only the most important things to know on their own. The details in this book will give you all of the information to get started right away and is an excellent book for beginners in swing trading and investing. If you are looking to learn more about...
