Nomad Christians (Paperback)

By Charles Pretlow

Wilderness Voice Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.For years, there has been a large group of devout Christians wandering in the wilderness, disenfranchised and frustrated while in search for true fellowship. These believers wander from fellowship to fellowship in discontentment-their numbers ever increase as local fellowships everywhere slide further into the apostasy of churchianity. This short message will encourage believers who feel lost in a sea of confusion, who are tired of dodging game playing Christians. Also to help understand that they are not alone and learn how to overcome their own issues of heart- and to know how a true fellowship should be conducted. Now is the time to come out of hiding and prepare to be used by God on the day that he acts. God is about to raise up a last day army of servants who operate in the true unction of the Holy Spirit for a final awakening and end-of-this-age harvest.
